- ✓ **Payments** Unlimited
- ✓ **Expense** Reimbursement
- ✓ **Wires** in & out \$0
- ✓ **EFT** in & out \$0
- ✓ **ACH** in & out \$0

Example savings

If processing \$2M/month in foreign currency spend, switching from 27 bps to 12 bps saves \$3,000 every month, that's \$36,000 back in your business every year, just on FX.

* Will need to review last few trades and run the analysis to confirm final rate.
